Step 1 – Terms and Conditions for Informed Consent - Here are my instructions for initiating a consultation. All participants must complete the Acceptance of the Terms and Conditions which outlines the rules of engagement in a transparent bilateral fashion for proper informed consent to proceed.

Step 2 - Membership Administration

A) Provide Demographics as consent to proceed	
For Me to Load Your Personal Data into Computer, please Provide the following DEMOGRAPHICS and medical history information to give me your consent to proceed. I need the following information to register you in the quantum computer matrix:	
Name: Full First Middle Last Name and or Maiden name, married name	
Date Of Birth YEAR/MM/DD	
Time of birth if known:	
City , State, Country of Birth:	
Telephone:	
Email :	
Address:	
City State Country Zip:	

Step 3: What to Expect?
The Quantum Investigation process is simple, safe, relatively rapid, detailed, accurate, and easy with no side effects. The best results are obtained when you are hydrated, mineralized, relaxed, or sleeping and open to change. The optimal results occur with focused intention, positive self - talk, and regular repeated use over time to build bioenergetic Reserves and Bioterrain Eutonia.

How to Prepare for the Journey:

1. **Submit your Demographics**: In terms of what to expect, I will input any New Client Demographics*(Date of Birth, Name, Email) and Health History Survey data into my computer records.

2. **Purchase and Download your APP**- You will Visit the App Store on your smart device and find the GENIUS QUANTA CAP App, download and Install the Software, using the email accessible from your smart phone or tablet, and Password 12345678 to start. Note the new practitioner Deborah-Anne Drake and the practitioner email for connecting directly as drdrake432@gmail.com or mmmead2010@gmail.com as our primary practitioners.

3. **Watch Short Orientation Training:** Upon downloading the app, the first visit you are prompted to watch the short valuable orientation videos on QC usage.

4. **Submit Your Voice Print and Selfie:** Once ready, then provide your practitioner with a sample to analyze, using a Genius Quanta Cap voice print and facial selfie via instructions inside the Quanta Cap App (discussed separately).

5. **Objective Review of Priorities:** It's easy for both member and coach to see the health trajectory using the GENIUS and Quanta Cap Apps to import, export to remote members customized guidance, focused on the highlight of what areas need effort. Then we apply entrainment modalities (light, Sound, and biofeedback) for precise, subtle, vibrational tuning methods.

6. **Health Counts 4 All Biofeedback** Review by expert instructors will contract with members to analyze the bioenergy voice and face print submissions asap. By using computer analysis, we find vibrational fingerprints showing patterns and hidden problems using tools that are more accurate, objective, thorough, speedy, and less fallible that a biased one-dimensional look. It takes time to shift the body so be gentle, supportive and patient.

7. **Analysis is rapid** with thousands of items cross comparing a gold standard to your bioresonance patterns. We accelerate detection and correction, using algorhythms and Ancient Intelligence for mirroring, and speed of computers to import, score, sort, prioritized and customize a priority color coded areas needing adjusting by way of corrective WAVE playlist(s) that are sent back to the member for weekly use. Using custom built **Health Safaris Libraries** detailing each organs needs and status and remedies craved, the body, mind and biofield can be tuned and toned back toward "homeostasis" and resume a balanced life.

8. **Remote Therapy by the Member:** The Member's job is to import and play the guided music vibrations, sent back to you via our email cloud delivery service to the member's smart device. Simply import the Health Safaris Playlist into the phone Quanta Cap App opened to menu using "My Scan Results" to "import" the PLAYLIST into the gallery, "Load All Items to Tray" and set the timer, start playback and enjoy the results. Add graphics, Light PEMF bracelet or Magnetic
